Dear Mr. Granier:

We have reviewed your filing and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing your response to these comments, we may have additional comments.

Preliminary Information Statement on Schedule 14C

Notice of Stockholder Action by Written Consent

General Information, page 3

1. We note that you state "this is not a meeting of stockholders and no stockholders' meeting will be held to consider any matter described herein." However, you refer on page 11 of your preliminary information statement to a Special Meeting. Additionally, at certain points you also imply that stockholder approval is being sought for the matters discussed. This is inconsistent with your assertions that the majority stockholders have already approved the matters and that the information statement is being mailed solely for informational purposes. Revise to clarify these contradictory statements.

Security Ownership of Certain Beneficial Owners and Management, page 11

3. Conform your beneficial ownership table on page 12 to the requirements of Item 403 of Regulation S-K.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
