ITEM 8.01 OTHER EVENTS

On June 13, 2013, a complaint (the "Complaint") was filed in the Circuit Court of the Twentieth Judicial Circuit in and for Collier County, Florida, Civil Action No. 13-CA 1850, by Fresh Start Private Florida LLC, a limited liability company organized under the laws of the State of Florida ("FSPF") against Fresh Start Private Management, Inc., a Nevada corporation (the "Company"). The Company had previously entered into that certain license agreement with FSWPF dated January 27, 2012 (the "License Agreement"), pursuant to which the Company granted an exclusive license to FSPF to receive, implant, use, sell and otherwise commercialize the Naltrexone implant product (the "Naltrexone Implant") and the Fresh Start Alcohol Rehabilitation Program throughout the State of Florida.

The Complaint

The Complaint alleges breach of the License Agreement by the Company. The License Agreement required the Company to:

(a) provide access to the private alcohol rehabilitation program, all documentation relating to billing and processing of insurance claims, training of insurance processors, supplying all of the life coaching documentation and training of the life coaches, all medical procedure documentation, a list of medical supplies needed to perform the implant procedure, all patient documentation, complete medical training by the Company's doctors as to how to perform the insertion of the implant, relevant marketing materials and documentation within five days of the receipt of payment in the amount of \$100,000;

(d) provide the items above via a personnel visit by the Company to FSPF's place of business in Collier County, Florida, within five days of the effective date of the License Agreement.

FSPF alleges in the Complaint that the Company breached the License Agreement by failing to provide the required documentation and to make a personal visit. The Complaint further alleges that the Company made inaccurate and misleading statements to FSPF regarding the Naltrexone Implant and that such misrepresentations has damaged FSPF.
