Item 1.01 Entry into a Material Definitive Agreement.

Investment Agreement

On June 25, 2015 (the “Closing Date”), BioCorRx Inc. (the “Company”), entered into an investment agreement (the “Investment Agreement”), with Northbridge Funding Inc., a Delaware corporation (the “Investor”) whereby the Investor committed to invest \$10,000,000 to purchase the Company’s common stock, par value \$0.001 per share (the “Common Stock”), over the course of thirty-six (36) months. Subject to the terms and conditions set forth in the Investment Agreement, we may issue and sell to the Investor, and the Investor shall purchase from us, up to that number of shares having a purchase price of ten million dollars (\$10,000,000). Concurrently with entering into the Investment Agreement, the Company also entered into a registration rights agreement with Northbridge Funding (the “Registration Rights Agreement”), in which the Company agreed to file one or more registration statements, as permissible and necessary to register under the Securities Act of 1933, as amended (the “Securities Act”), registering the sale of the shares of the Company’s common stock that have been and may be issued to the Investor under the Investment Agreement.

The Investment Agreement provides that the Company may, in its sole discretion and subject to the terms of the Investment Agreement, from time to time during the Open Period (defined below), deliver a notice (the “Drawdown Notice”) to the Investor which states the dollar amount of shares of Common Stock that the Company intends to sell to the Investor on a date specified in the Drawdown Notice (the “Drawdown”). The amount of each Drawdown (the “Drawdown Amount”) shall have a maximum amount of two hundred percent (200%) of average daily trading volume of the Common Stock during the Pricing Period (as defined below) so long as such amount does not exceed 4.99% of the outstanding shares of the Company. The purchase price per share to be paid by the Investor for each Drawdown Amount will be calculated at a twenty percent (20%) discount to the weighted average price of the three lowest closing prices traded of the Common Stock for twelve consecutive trading days immediately preceding the Drawdown Notice (the “Pricing Period”). The Open Period begins on the Closing Date and ends thirty-six (36) months after such date, unless earlier terminated in accordance with the Investment Agreement (the “Open Period”).

In consideration for entering into the Investment Agreement, concurrently with the execution of the Investment Agreement, the Company issued to the Investor 200,000 shares of the Company’s common stock (the “Commitment Shares”).

The foregoing description of the Investment Agreement and the Registration Rights Agreement are qualified in its entirety by reference to the provisions of the Investment Agreement and Registration Rights Agreement filed as exhibits 10.1 and 10.2 to this Current Report on the Form 8-K (this “Report”), which is incorporated by reference.

Item 3.02 Unregistered Sale of Equity Securities

Reference is made to the disclosure set forth under Items 1.01 of this Report, which disclosure is incorporated herein by reference.

The sale and the issuance of the shares of Common Stock were offered and sold in reliance upon exemptions from registration pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”).

2.2 COMMITMENT SHARES. In consideration for execution of this Agreement, the Company shall issue to the Investor 200,000 shares of the Company's Common Stock on the Effective Date (the "Commitment Shares").

2.3 DELIVERY OF DRAWDOWN NOTICES. Subject to the terms and conditions of the Financing Agreements, and from time to time during the Open Period, the Company may, in its sole discretion, deliver a Drawdown Notice to the Investor which states the dollar amount (designated in U.S. Dollars), which the Company intends to sell to the Investor on a Closing Date (the "Drawdown"). The Drawdown Notice shall be in the form attached hereto as Exhibit B and incorporated herein by reference. The maximum amount that the Company shall be entitled to Drawdown to the Investor (the "Drawdown Amount") shall be equal to two hundred percent (200%) of average daily trading volume (U.S. market only) of the Common Stock during the Pricing Period so long as such amount does not exceed 4.99% of the outstanding Shares of the Company.

2.4 CONDITIONS TO INVESTOR'S OBLIGATION TO PURCHASE SHARES. Notwithstanding anything to the contrary in this Agreement, the Company shall not be entitled to deliver a Drawdown Notice and the Investor shall not be obligated to purchase any Shares at a Closing unless each of the following conditions are satisfied:

- i. a Registration Statement shall have been declared effective and shall remain effective and available for the resale of all the Registrable Securities (as defined in the Registration Rights Agreement) at all times until the Closing with respect to the subject Drawdown Notice;
- ii. at all times during the period beginning on the related Drawdown Notice Date and ending on and including the related Closing Date, the Common Stock shall have been listed or quoted for trading on the Principal Market and shall not have been suspended from trading thereon for a period of two (2) consecutive Trading Days during the Open Period and the Company shall not have been notified of any pending or threatened proceeding or other action to suspend the trading of the Common Stock;
- iii. the Company has complied in all material respects with its obligations and is otherwise not in breach of or in default under, this Agreement, the Registration Rights Agreement or any other agreement executed in connection herewith which has not been cured prior to delivery of the Investor's Drawdown Notice Date;
- iv. no injunction shall have been issued and remain in force, or action commenced by a governmental authority which has not been stayed or abandoned, prohibiting the purchase or the issuance of the Securities; and

- v. the issuance of the Securities will not violate any stockholder approval requirements of the Principal Market.

If any of the events described in clauses (i) through (v) above occurs during a Pricing Period, then the Investor shall have no obligation to purchase the Drawdown Amount of Common Stock set forth in the applicable Drawdown Notice.

2.5 MECHANICS OF PURCHASE OF SHARES BY INVESTOR. Subject to the satisfaction of the conditions set forth in Sections 2.6, 7 and 8 of this Agreement, the closing of the purchase by the Investor of the Securities (a "Closing") shall occur on the date (each a "Closing Date"), provided that, the Company has delivered to the Investor pursuant to this Agreement, certificates representing the Securities to be issued to the Investor on such date and registered in the name of the Investor (the "Certificate"), and the Certificate is cleared for trading prior to 12:00 pm Eastern Time on such date. In lieu of delivering physical certificates representing the Securities and provided that the Company's transfer agent then is participating in The Depository Trust Company ("DTC") Fast Automated Securities Transfer ("FAST") program, upon request of the Investor, the Company shall use all commercially reasonable efforts to cause its transfer agent to electronically transmit the Securities by crediting the account of the Investor's prime broker (as specified by the Investor within a time reasonably in advance of the Investor's notice) with DTC through its Deposit Withdrawal Agent Commission ("DWAC") system.

2.6 OVERALL LIMIT ON COMMON STOCK ISSUABLE. If such issuance of Shares could cause a delisting on the Principal Market, then the Maximum Common Stock Issuance shall first be approved by the Company's stockholders in accordance with applicable law and the Certificate of Incorporation and By-laws of the Company, if such issuance of Shares could cause a delisting on the Principal Market. The parties understand and agree that the Company's failure to seek or obtain such stockholder approval shall in no way adversely affect the validity and due authorization of the issuance and sale of Securities or the Investor's obligation in accordance with the terms and conditions hereof to purchase a number of Shares in the aggregate up to the Maximum Common Stock Issuance limitation, and that such approval pertains only to the applicability of the Maximum Common Stock Issuance limitation provided in this Section 2.6.

2.7 LIMITATION ON AMOUNT OF OWNERSHIP. Notwithstanding anything to the contrary in this Agreement, in no event shall the Investor be entitled to purchase that number of Shares, which when added to the sum of the number of Shares beneficially owned (as such term is defined under Section 13(d) and Rule 13d-3 of the 1934 Act), by the Investor, would exceed 4.99% of the number of Shares outstanding on the Closing Date, as determined in accordance with Rule 13d-1(j) of the 1934 Act.

The Investor has considered carefully and understands the risks associated with an investment in the Securities.

11.5 SEVERABILITY. If any provision of this Agreement shall be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of any provision of this Agreement in any other jurisdiction.

This Agreement is the FINAL AGREEMENT between the Company and the Investor with respect to the terms and conditions set forth herein, and, the terms of this Agreement may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the parties. The execution and delivery of the Financing Agreements shall not alter the force and effect of any other agreements between the parties, and the obligations under those agreements.

11.10 SURVIVAL. The representations and warranties of the Company and the Investor contained in Sections 3 and 4, the agreements and covenants set forth in Sections 5 and 6, and the indemnification provisions set forth in Section 10, shall survive until the termination of the Agreement.

11.11 PUBLICITY. The Company and the Investor shall consult with each other in issuing any press releases or otherwise making public statements with respect to the transactions contemplated hereby and no party shall issue any such press release or otherwise make any such public statement without the prior consent of the other party, which consent shall not be unreasonably withheld or delayed, except that no prior consent shall be required if such disclosure is required by law, in which such case the disclosing party shall provide the other party with prior notice of such public statement. Notwithstanding the foregoing, the Company shall not publicly disclose the name of the Investor without the prior consent of the Investor, except to the extent required by law. The Investor acknowledges that this Agreement and all or part of the Financing Agreements may be deemed to be "material contracts" as that term is defined by Item 601(b)(10) of Regulation S-K, and that the Company may therefore be required to file such documents as exhibits to reports or registration statements filed under the 1933 Act or the 1934 Act. The Investor further agrees that the status of such documents and materials as material contracts shall be determined solely by the Company, in consultation with its counsel.

11.12 FURTHER ASSURANCES. Any person having any rights under any provision of this Agreement shall be entitled to enforce such rights specifically (without posting a bond or other security), to recover damages by reason of any default or breach of any provision of this Agreement, including the recovery of reasonable attorneys fees and costs, and to exercise all other rights granted by law.

11.15 PAYMENT SET ASIDE. To the extent that the Company makes a payment or payments to the Investor hereunder or under the Registration Rights Agreement or the Investor enforces or exercises its rights hereunder or thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other person under any law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

11.16 PRICING OF COMMON STOCK. For purposes of this Agreement, the price of the Common Stock shall be as reported on Bloomberg, L.P or OTC Markets.

SECTION XII NON-DISCLOSURE OF NON-PUBLIC INFORMATION

Nothing contained in this Section 12 shall be construed to mean that such persons or entities other than the Investor (without the written consent of the Investor prior to disclosure of such information) may not obtain non-public information in the course of conducting due diligence in accordance with the terms of this Agreement and nothing herein shall prevent any such persons or entities from notifying the Company of their opinion that based on such due diligence by such persons or entities, that the Registration Statement contains an untrue statement of material fact or omits a material fact required to be stated in the Registration Statement or necessary to make the statements contained therein, in light of the circumstances in which they were made, not misleading.

RECITALS:

WHEREAS, pursuant to the Investment Agreement entered into by and between the Company and the Investor of this even date (the "**Investment Agreement**"), the Company has agreed to issue and sell to the Investor: (i) an indeterminate number of shares of the Company's common stock, par value \$0.001 per share (the "**Common Stock**"), up to an aggregate purchase price of Ten Million Dollars (\$10,000,000); and (ii) 200,000 Shares (the "**Commitment Shares**");

WHEREAS, as an inducement to the Investors to execute and deliver the Investment Agreement, the Company has agreed to provide certain registration rights under the Securities Act of 1933, as amended, and the rules and regulations thereunder, or any similar successor statute (collectively, the "**1933 Act**"), and applicable state securities laws, with respect to the shares of Common Stock issuable pursuant to the Investment Agreement.

NOW THEREFORE, in consideration of the foregoing promises and the mutual covenants contained hereinafter and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Company and the Investor hereby agree as follows:

SECTION I DEFINITIONS

As used in this Agreement, the following terms shall have the following meanings:

"**Investor**" shall have the meaning set forth in the preamble.

"**Effective Date**" shall mean the date the SEC declares effective under the 1933 Act the Registration Statement covering the Securities.

"**Person**" means a corporation, a limited liability company, an association, a partnership, an organization, a business, an individual, a governmental or political subdivision thereof or a governmental agency.

"**Register**," "**Registered**," and "**Registration**" refer to the Registration effected by preparing and filing one (1) or more Registration Statements in compliance with the 1933 Act and pursuant to Rule 415 under the 1933 Act or any successor rule providing for offering securities on a continuous basis ("**Rule 415**"), and the declaration or ordering of effectiveness of such Registration Statement(s) by the United States Securities and Exchange Commission (the "**SEC**").

"**Registrable Securities**" means (i) the shares of Common Stock issued or issuable pursuant to the Investment Agreement, (ii) the Commitment Shares; and (iii) any shares of capital stock issued or issuable with respect to such shares of Common Stock, if any, as a result of any stock split, stock dividend, recapitalization, exchange or similar event or otherwise, which have not

been (x) included in the Registration Statement that has been declared effective by the SEC, or (y) sold under circumstances meeting all of the applicable conditions of Rule 144 (or any similar provision then in force) under the 1933 Act.

"Registration Statement" means the registration statement of the Company filed under the 1933 Act covering the Registrable Securities.

"Rule 144" has the meaning set forth in Section 8.1.

"Financing Agreements" shall mean this Agreement and the Investment Agreement between the Company and the Investor as of the date hereof.

All capitalized terms used in this Agreement and not otherwise defined herein shall have the same meaning ascribed to them as in the Investment Agreement.

SECTION II REGISTRATION

2.1 The Company shall use all commercially reasonable efforts to, within twenty one (21) days of the date of this Agreement, file with the SEC a Registration Statement or Registration Statements (as is necessary) on Form S-1 (or, if such form is unavailable for such a registration, on such other form as is available for such registration), covering the resale 10,000,000 shares of the Registrable Securities, which Registration Statement(s) shall state that, in accordance with Rule 416 promulgated under the 1933 Act, such Registration Statement also covers such indeterminate number of additional shares of Common Stock as may become issuable upon stock splits, stock dividends or similar transactions. The Company shall initially register for resale 10,000,000 shares of Registrable Securities except to the extent that the SEC requires the share amount to be reduced as a condition of effectiveness.

2.2 The Company shall use all commercially reasonable efforts to have the Registration Statement(s) declared effective by the SEC.

2.3 The Company agrees not to include any other securities in the Registration Statement covering the Registrable Securities without Investor's prior written consent which Investor may withhold in its sole discretion. Furthermore, the Company agrees that it will not file any other Registration Statement for other securities, until thirty calendar days after the Registration Statement for the Registrable Securities is declared effective by the SEC.

2.4 Notwithstanding the registration obligations set forth in this Section 2.4, if the staff of the SEC (the "Staff") or the SEC informs the Company that all of the unregistered Registrable Securities cannot, as a result of the application of Rule 415, be registered for resale as a secondary offering on a single Registration Statement, the Company agrees to promptly (i) inform each of the holders thereof and use its commercially reasonable efforts to file amendments to the Registration Statement as required by the SEC and/or (ii) withdraw the Registration Statement and file a new Registration Statement (the "**New Registration Statement**"), in either case covering the maximum number of Registrable Securities permitted to be registered by the SEC, on Form S-1 to register for resale the Registrable Securities as a secondary offering. If the Company amends the Registration Statement or files a New Registration Statement, as the case may be, under clauses (i) or (ii) above, the Company will use its commercially reasonable efforts to file with the SEC, as promptly as allowed by the Staff or SEC, one or more registration statements on Form S-1 to register for resale those Registrable Securities that were not registered for resale on the Registration Statement, as amended, or the New Registration Statement. Additionally, the Company shall have the ability to file one or more New Registration Statements to

cover the Registrable Securities once the Shares under the initial Registration Statement referenced in Section 2.1 have been sold.

SECTION III RELATED OBLIGATIONS

At such time as the Company is obligated to prepare and file the Registration Statement with the SEC pursuant to Section 2, the Company will affect the registration of the Registrable Securities in accordance with the intended method of disposition thereof and, with respect thereto, the Company shall have the following obligations:

3.1 The Company shall use all commercially reasonable efforts to cause such Registration Statement relating to the Registrable Securities to become effective and shall keep such Registration Statement effective until the earlier to occur of the date on which (A) the Investor shall have sold all the Registrable Securities; (B) the Investor has no right to acquire any additional shares of Common Stock under the Investment Agreement; or (C) have been sold pursuant to Rule 144 or may be sold without volume or manner-of-sale restrictions pursuant to Rule 144 (the "Registration Period").

3.2 The Company shall prepare and file with the SEC such amendments (including post-effective amendments) and supplements to the Registration Statement and the prospectus used in connection with such Registration Statement, which prospectus is to be filed pursuant to Rule 424 promulgated under the 1933 Act, as may be necessary to keep such Registration Statement effective during the Registration Period, and, during such period, comply with the provisions of the 1933 Act with respect to the disposition of all Registrable Securities of the Company covered by such Registration Statement until such time as all of such Registrable Securities shall have been disposed of in accordance with the intended methods of disposition by the Investor thereof as set forth in such Registration Statement. In the event the number of shares of Common Stock covered by the Registration Statement filed pursuant to this Agreement is at any time insufficient to cover all of the Registrable Securities, the Company shall amend such Registration Statement, or file a new Registration Statement (on the short form available therefor, if applicable), or both, so as to cover all of the Registrable Securities, in each case, as soon as practicable, but in any event within thirty (30) calendar days after the necessity therefor arises (based on the then Purchase Price of the Common Stock and other relevant factors on which the Company reasonably elects to rely), assuming the Company has sufficient authorized shares at that time, and if it does not, within thirty (30) calendar days after such shares are authorized. The Company shall use commercially reasonable efforts to cause such amendment and/or new Registration Statement to become effective as soon as practicable following the filing thereof.

3.3 The Company shall make available to the Investor whose Registrable Securities are included in any Registration Statement and its legal counsel without charge (i) promptly after the same is prepared and filed with the SEC at least one (1) copy of such Registration Statement and any amendment(s) thereto, including financial statements and schedules, all documents incorporated therein by reference and all exhibits, the prospectus included in such Registration Statement (including each preliminary prospectus) and, with regards to such Registration Statement(s), any correspondence by or on behalf of the Company to the SEC or the staff of the SEC and any correspondence from the SEC or the staff of the SEC to the Company or its representatives; (ii) upon the effectiveness of any Registration Statement, the Company shall make available copies of the prospectus, via EDGAR, included in such Registration Statement and all amendments and supplements thereto; and (iii) such other documents, including copies of any preliminary or final prospectus, as the Investor may reasonably request from time to time to facilitate the disposition of the Registrable Securities.

3.4 The Company shall use commercially reasonable efforts to (i) register and qualify the Registrable Securities covered by the Registration Statement under such other securities or "blue sky" laws of such states in the United States as the Investor reasonably requests; (ii) prepare and file in those jurisdictions, such amendments (including post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Registration Period; (iii) take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Registration Period, and (iv) take all other actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3.4, or (y) subject itself to general taxation in any such jurisdiction. The Company shall promptly notify the Investor who holds Registrable Securities of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or "blue sky" laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threatening of any proceeding for such purpose.

3.5 As promptly as practicable after becoming aware of such event, the Company shall notify Investor in writing of the happening of any event as a result of which the prospectus included in the Registration Statement, as then in effect, includes an untrue statement of a material fact or omission to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading ("**Registration Default**") and use all diligent efforts to promptly prepare a supplement or amendment to such Registration Statement and take any other necessary steps to cure the Registration Default (which, if such Registration Statement is on Form S-3, may consist of a document to be filed by the Company with the SEC pursuant to Section 13(a), 13(c), 14 or 15(d) of the 1934 Act (as defined below) and to be incorporated by reference in the prospectus) to correct such untrue statement or omission, and make available copies of such supplement or amendment to the Investor. The Company shall also promptly notify the Investor (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed, and when the Registration Statement or any post-effective amendment has become effective (the Company will prepare notification of such effectiveness which shall be delivered to the Investor on the same day of such effectiveness and by overnight mail), additionally, the Company will promptly provide to the Investor, a copy of the effectiveness order prepared by the SEC once it is received by the Company; (ii) of any request by the SEC for amendments or supplements to the Registration Statement or related prospectus or related information, (iii) of the Company's reasonable determination that a post-effective amendment to the Registration Statement would be appropriate, (iv) in the event the Registration Statement is no longer effective, or (v) if the Registration Statement is stale as a result of the Company's failure to timely file its financials or otherwise

3.6 The Company shall use all commercially reasonable efforts to prevent the issuance of any stop order or other suspension of effectiveness of the Registration Statement, or the suspension of the qualification of any of the Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible moment and to notify the Investor holding Registrable Securities being sold of the issuance of such order and the resolution thereof or its receipt of actual notice of the initiation or threat of any proceeding concerning the effectiveness of the registration statement.

3.7 The Company shall permit the Investor and one (1) legal counsel, designated by the Investor, to review and comment upon the Registration Statement and all amendments and supplements thereto at least one (1) calendar day prior to their filing with the SEC, provided, however, that the Company is under no obligation to make changes to the Registration Statement and all amendments or supplements thereto based on comments from the Investor and its legal counsel. However, any

postponement of a filing of a Registration Statement or any postponement of a request for acceleration or any postponement of the effective date or effectiveness of a Registration Statement by written request of the Investor (collectively, the "Investor's Delay") shall not act to trigger any penalty of any kind, or any cash amount due or any in-kind amount due the Investor from the Company under any and all agreements of any nature or kind between the Company and the Investor. The event(s) of an Investor's Delay shall act to suspend all obligations of any kind or nature of the Company under any and all agreements of any nature or kind between the Company and the Investor.

3.8 Intentionally Omitted.

3.9 The Company shall hold in confidence and not make any disclosure of information concerning the Investor unless (i) disclosure of such information is necessary to comply with federal or state securities laws, (ii) the disclosure of such information is necessary to avoid or correct a misstatement or omission in any Registration Statement, (iii) the release of such information is ordered pursuant to a subpoena or other final, non-appealable order from a court or governmental body of competent jurisdiction, or (iv) such information has been made generally available to the public other than by disclosure in violation of this Agreement or any other agreement. The Company agrees that it shall, to the extent permitted by law, upon learning that disclosure of such information concerning the Investor is sought in or by a court or governmental body of competent jurisdiction or through other means, give prompt written notice to the Investor and allow the Investor, at the Investor's expense, to undertake appropriate action to prevent disclosure of, or to obtain a protective order covering such information.

3.10 The Company shall use all commercially reasonable efforts to maintain designation and quotation of all the Registrable Securities covered by any Registration Statement on the Principal Market. If, despite the Company's commercially reasonable efforts, the Company is unsuccessful in satisfying the preceding sentence, it shall use commercially reasonable efforts to cause all the Registrable Securities covered by any Registration Statement to be listed on each other national securities exchange and automated quotation system, if any, on which securities of the same class or series issued by the Company are then listed, if any, if the listing of such Registrable Securities is then permitted under the rules of such exchange or system. The Company shall pay all fees and expenses in connection with satisfying its obligation under this Section 3.10.

3.11 The Company shall cooperate with the Investor to facilitate the prompt preparation and delivery of certificates representing the Registrable Securities to be offered pursuant to the Registration Statement and enable such certificates to be in such denominations or amounts, as the case may be, as the Investor may reasonably request (and after any sales of such Registrable Securities by the Investor, such certificates not bearing any restrictive legend).

3.12 The Company shall provide a transfer agent for all the Registrable Securities not later than the effective date of the first Registration Statement filed pursuant hereto.

3.13 If requested by the Investor, the Company shall (i) as soon as reasonably practical incorporate in a prospectus supplement or post-effective amendment such information as the Investor reasonably determines should be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the offering of the Registrable Securities to be sold in such offering; (ii) make all required filings of such prospectus supplement or post-effective amendment as soon as reasonably possible after being notified of the matters to be incorporated in such prospectus supplement or post-effective amendment; and (iii) supplement or make amendments to any Registration Statement if reasonably requested by the Investor.

3.14 The Company shall use all commercially reasonable efforts to cause the Registrable Securities covered by the applicable Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to facilitate the disposition of such Registrable Securities.

3.15 The Company shall otherwise use all commercially reasonable efforts to comply with all applicable rules and regulations of the SEC in connection with any registration hereunder.

3.16 Within three (3) business day after the Registration Statement which includes Registrable Securities is declared effective by the SEC, the Company shall deliver to the transfer agent for such Registrable Securities, with copies to the Investor, confirmation that such Registration Statement has been declared effective by the SEC in the form attached hereto as Exhibit A.

3.17 The Company shall take all other reasonable actions necessary to expedite and facilitate disposition by the Investor of Registrable Securities pursuant to the Registration Statement.

SECTION IV OBLIGATIONS OF THE INVESTOR

4.1 At least five (5) calendar days prior to the first anticipated filing date of the Registration Statement the Company shall notify the Investor in writing of the information the Company requires from the Investor for the Registration Statement. It shall be a condition precedent to the obligations of the Company to complete the registration pursuant to this Agreement with respect to the Registrable Securities and the Investor agrees to furnish to the Company that information regarding itself, the Registrable Securities and the intended method of disposition of the Registrable Securities as shall reasonably be required to effect the registration of such Registrable Securities and the Investor shall execute such documents in connection with such registration as the Company may reasonably request. The Investor covenants and agrees that, in connection with any sale of Registrable Securities by it pursuant to the Registration Statement, it shall comply with the "Plan of Distribution" section of the then current prospectus relating to such Registration Statement.

4.2 The Investor, by its acceptance of the Registrable Securities, agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of any Registration Statement hereunder, unless the Investor has notified the Company in writing of an election to exclude all of the Investor's Registrable Securities from such Registration Statement.

4.3 The Investor agrees that, upon receipt of written notice from the Company of the happening of any event of the kind described in Section 3.6 or the first sentence of 3.5, the Investor will immediately discontinue disposition of Registrable Securities pursuant to any Registration Statement(s) covering such Registrable Securities until the Investor's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3.6 or the first sentence of 3.5.

SECTION V EXPENSES OF REGISTRATION

All legal expenses, other than underwriting discounts and commissions and other than as set forth in the Investment Agreement, incurred in connection with registrations including comments, filings or qualifications pursuant to Sections 2 and 3, including, without limitation, all registration, listing and qualifications fees, and printing fees, up to a maximum of \$25,000, shall be paid in two installments with the first \$12,500 to be paid by the Company on the Execution Date, and the remaining \$12,500 to be paid by the Company from the first Drawdown.

SECTION VI INDEMNIFICATION

In the event any Registrable Securities are included in the Registration Statement under this Agreement:

6.1 To the fullest extent permitted by law, the Company, under this Agreement, will, and hereby does, indemnify, hold harmless and defend the Investor who holds Registrable Securities, the directors, officers, partners, employees, counsel, agents, representatives of, and each Person, if any, who controls, any Investor within the meaning of the 1933 Act or the Securities Exchange Act of 1934, as amended (the "1934 Act") (each, an "Indemnified Person"), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, costs, attorneys' fees, amounts paid in settlement or expenses, joint or several (collectively, "Claims"), incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the SEC, whether pending or threatened, whether or not an indemnified party is or may be a party thereto ("Indemnified Damages"), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of a material fact in the Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other "blue sky" laws of any jurisdiction in which the Investor has requested in writing that the Company register or qualify the Registrable Securities, or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which the statements therein were made, not misleading, (ii) any untrue statement or alleged untrue statement of a material fact contained in the final prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in light of the circumstances under which the statements therein were made, not misleading, or (iii) any violation or alleged violation by the Company of the 1933 Act, the 1934 Act, any other state or federal securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to the Registration Statement (the matters in the foregoing clauses (i) through (iii) being, collectively, "Violations"). Subject to the restrictions set forth in Section 6.3 the Company shall reimburse the Investor and each such controlling person, promptly as such expenses are incurred and are due and payable, for any reasonable legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6.1: (i) shall not apply to a Claim arising out of or based upon a Violation which is due to the inclusion in the Registration Statement of the information furnished to the Company by any Indemnified Person expressly for use in connection with the preparation of the Registration Statement or any such amendment thereof or supplement thereto; (ii) shall not be available to the extent such Claim is based on (a) a failure of the Investor to deliver or to cause to be delivered the prospectus made available by the Company or (b) the Indemnified Person's use of an incorrect prospectus despite being promptly advised in advance by the Company in writing not to use such incorrect prospectus; (iii) any claims based on the manner of sale of the Registrable Securities by the Investor or of the Investor's failure to register as a dealer under applicable securities laws; (iv) any omission of the Investor to notify the Company of any material fact that should be stated in the Registration Statement or prospectus relating to the Investor or the manner of sale; and (v) any amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Person and shall survive the resale of the Registrable Securities by the Investor pursuant to the Registration Statement.

6.2 In connection with any Registration Statement in which Investor is participating, the Investor agrees to severally and jointly indemnify, hold harmless and defend, to the same extent and in the same manner as is set forth in Section 6.1, the Company, each of its directors, each of its officers who signs the Registration Statement, each Person, if any, who controls the Company within the meaning of the 1933 Act or the 1934 Act and the Company's agents (collectively and together with an Indemnified Person, an "Indemnified Party"), against any Claim or Indemnified Damages to which any of them may become subject, under the 1933 Act, the 1934 Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or are based upon any Violation, in each case to the extent, and only to the extent, that such Violation is due to the inclusion in the Registration Statement of the written information furnished to the Company by the Investor expressly for use in connection with such Registration Statement; and, subject to Section 6.3, the Investor will reimburse any legal or other expenses reasonably incurred by them in connection with investigating or defending any such Claim; *provided, however*, that the indemnity agreement contained in this Section 6.2 and the agreement with respect to contribution contained in Section 7 shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Investor, which consent shall not be unreasonably withheld; *provided, further, however*, that the Investor shall only be liable under this Section 6.2 for that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to such Investor as a result of the sale of Registrable Securities pursuant to such Registration Statement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnified Party and shall survive the resale of the Registrable Securities by the Investor pursuant to the Registration Statement. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6.2 with respect to any preliminary prospectus shall not inure to the benefit of any Indemnified Party if the untrue statement or omission of material fact contained in the preliminary prospectus were corrected on a timely basis in the prospectus, as then amended or supplemented. This indemnification provision shall apply separately to each Investor and liability hereunder shall not be joint and several.

6.3 Promptly after receipt by an Indemnified Person or Indemnified Party under this Section 6 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6, deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party, as the case may be; *provided*, however, that an Indemnified Person or Indemnified Party shall have the right to retain its own counsel with the fees and expenses to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the Indemnified Person or Indemnified Party, the representation by counsel of the Indemnified Person or Indemnified Party and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person or Indemnified Party and any other party represented by such counsel in such proceeding. The indemnifying party shall pay for only one (1) separate legal counsel for the Indemnified Persons or the Indemnified Parties, as applicable, and such counsel shall be selected by the Investor, if the Investor is entitled to indemnification hereunder, or the Company, if the Company is entitled to indemnification hereunder, as applicable. The Indemnified Party or Indemnified Person shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or Claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person which relates to such action or Claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person fully apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding affected without

its written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the consent of the Indemnified Party or Indemnified Person, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party or Indemnified Person of a release from all liability in respect to such Claim. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Party or Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party under this Section 6, except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

6.4 The indemnity agreements contained herein shall be in addition to (i) any cause of action or similar right of the Indemnified Party or Indemnified Person against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

SECTION VII CONTRIBUTION

7.1 To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however, that: (i) no contribution shall be made under circumstances where the maker would not have been liable for indemnification under the fault standards set forth in Section 6; (ii) no seller of Registrable Securities guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any seller of Registrable Securities who was not guilty of fraudulent misrepresentation or the Company; and (iii) contribution by any seller of Registrable Securities shall be limited in amount to the net amount of proceeds received by such seller from the sale of such Registrable Securities.

SECTION VIII REPORTS UNDER THE 1934 ACT

8.1 With a view to making available to the Investor the benefits of Rule 144 promulgated under the 1933 Act or any other similar rule or regulation of the SEC that may at any time permit the Investor to sell securities of the Company to the public without registration ("Rule 144"), provided that the Investor holds any Registrable Securities are eligible for resale under Rule 144, the Company agrees to:

- a. make and keep public information available, as those terms are understood and defined in Rule 144;
- b. file with the SEC in a timely manner all reports and other documents required of the Company under the 1933 Act and the 1934 Act so long as the Company remains subject to such requirements (it being understood that nothing herein shall limit the Company's obligations under Section 5(c) of the Investment Agreement) and the filing of such reports and other documents is required for the applicable provisions of Rule 144; and
- c. furnish to the Investor, promptly upon request, (i) a written statement by the Company that it has complied with the reporting requirements of Rule 144, the 1933 Act and the

R

1934 Act, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested to permit the Investor to sell such securities pursuant to Rule 144 without registration.

Re: BioCorRx Inc.

Ladies and Gentlemen:

We are counsel to BioCorRx Inc., a Nevada corporation (the "Company"), and have represented the Company in connection with that certain Investment Agreement (the "Investment Agreement") entered into by and among the Company and NorthBridge Funding Inc (the "Investor") pursuant to which the Company has agreed to issue to the Investor shares of the Company's common stock, \$0.001 par value per share (the "Common Stock") on the terms and conditions set forth in the Investment Agreement. Pursuant to the Investment Agreement, the Company also has entered into a Registration Rights Agreement with the Investor (the "Registration Rights Agreement") pursuant to which the Company agreed, among other things, to register the Registrable Securities (as defined in the Registration Rights Agreement), including the shares of Common Stock issued or issuable under the Investment Agreement under the Securities Act of 1933, as amended (the "1933 Act"). In connection with the Company's obligations under the Registration Rights Agreement, on June __, 2015, the Company filed a Registration Statement on Form S-1 (File No. 333-_____) (the "Registration Statement") with the Securities and Exchange Commission (the "SEC") relating to the Registrable Securities which names the Investor as a selling stockholder thereunder.

In connection with the foregoing, we advise you that a member of the SEC's staff has advised us by telephone that the SEC has entered an order declaring the Registration Statement effective under the 1933 Act at _____ on _____, 20__ and we have no knowledge, after telephonic inquiry of a member of the SEC's staff, that any stop order suspending its effectiveness has been issued or that any proceedings for that purpose are pending before, or threatened by, the SEC and the Registrable Securities are available for sale under the 1933 Act pursuant to the Registration Statement

Very truly yours,

[Company Counsel]
