The consenting stockholders voted in favor of the Amended Articles described herein in a unanimous written consent dated May 13, 2016.

## **APPROVAL OF AN AMENDMENT TO THE ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK AND PREFERRED STOCK OF THE COMPANY**

### **Approval of the Amended Articles**

The Board approved the Amended Articles on May 13, 2016, and the Majority Holders approved the Amended Articles on May 13, 2016, to increase our authorized shares of Common Stock from 200,000,000 to 525,000,000 and our authorized shares of Preferred Stock from 80,000 to 600,000. The increases in our authorized shares of Common Stock and Preferred Stock will become effective upon the filing of the Amended Articles to the Articles of Incorporation with the Secretary of State of the State of Nevada. We will file the Amended Articles to effect the increases in our authorized shares of Common Stock and Preferred Stock approximately (but not less than) 20 days after the definitive information statement is mailed to stockholders.

### **Outstanding Shares and Reasons for the Amended Articles**

The Company's Articles of Incorporation, as amended, have authorized the Company to issue a maximum of 200,000,000 shares of Common Stock, par value \$0.001 per share, and 80,000 shares of Preferred Stock, no par value. As of the close of trading on May 12, 2016, we had approximately 165,394,501 shares of Common Stock issued and outstanding and 80,000 shares of Preferred Stock issued and outstanding.

The Board believes that the increase in our authorized Common Stock and Preferred Stock will provide the Company greater flexibility with respect to the Company's capital structure and that it is in the Company's best interest to have additional shares of common stock and preferred stock authorized for purposes of effectuating future capital raises and for general corporate purposes, including but not limited to establishing strategic relationships with other companies, the issuance of shares upon conversion of existing or future equity derivative securities and compensating certain service providers to the Company. If the Amended Articles were not approved, the Company's ability to engage in these types of transactions would be severely limited or delayed.

### **Effects of the Amended Articles**

The additional shares of Common Stock will have the same rights as the presently authorized shares, including the right to cast one vote per share of Common Stock. The additional shares of Preferred Stock will have the same rights and privileges as previously designated to such shares, including the right to cast 1,000 votes per share of Preferred Stock and the right to convert one share of Preferred Stock into one share of Common Stock.

Although the authorization of additional shares of Common Stock and Preferred Stock will not, in itself, have any effect on the rights of any holder of our Common Stock or Preferred Stock, the future issuance of additional shares of Common Stock or Preferred Stock (other than by way of a stock split or dividend) would have the effect of diluting the voting rights and could have the effect of diluting earnings per share and book value per share of existing stockholders. It is possible that some of these additional shares could be used in the future for various corporate purposes without further stockholder approval, except as such approval may be required in particular cases by our charter documents, applicable law or the rules of any stock exchange or other quotation system on which our securities may then be listed. These purposes may include: raising capital, providing equity incentives to employees, officers or directors, establishing strategic relationships with other companies, and expanding the Company's business or product lines through the acquisition of other businesses or products

The above description of the Amended Articles is qualified in its entirety by the actual text of the Amended Articles, which is set forth in Exhibit A (subject to any changes required by applicable law) to this Information Statement.

### **Effective Time of the Amended Articles**

We intend to file, as soon as practicable on or after the twentieth (20th) day after this Information Statement is sent to our stockholders, the Amended Articles with the Secretary of State of Nevada. The Amended Articles to our Articles of Incorporation will become effective at the close of business on the date the Amended Articles is accepted for filing by the Secretary of State of Nevada. It is presently contemplated that such filing will be made approximately twenty (20) days from the date that this Information Statement is sent to our stockholders. The text of the Amended Articles is subject to modification to include such changes as may be required by the Nevada Secretary of State to effectuate the Amended Articles.

### **Dissenters' Right of Appraisal**

No dissenters' or appraisal rights under the Nevada law, the Company's Articles of Incorporation or Bylaws, are afforded to the Company's stockholders as a result of the approval of the action.

## **BOARD AND SHAREHOLDER APPROVAL**

Our directors and holders of approximately 51.77% of our voting power signed written consents in favor of the Amended Articles. The Amended Articles will be effective upon the filing of the Amended Articles with the Secretary of State of the State of Nevada, which is expected to occur as soon as reasonably practicable on or after the twentieth (20<sup>th</sup>) day following the mailing of this Information Statement to stockholders.

The information contained in this Information Statement constitutes the only notice we will be providing stockholders.
